

General Information

- Camps offer age-appropriate, themed activities that appeal to different learning styles.
- Campers enjoy nature discovery, trail walks, arts & crafts, science experiments, games, free play and snack/lunch time.
- Our teachers are adult professional educators, with extensive backgrounds in science, environmental education and art. A staff member trained in CPR and First Aid is on site at all times.
- Too old to be a camper? We place junior counselors with each session. Call for information on age and service requirements.
- We emphasize **waste reduction** and **water conservation** in every camp. So we recommend reusable containers for food and drink.
- **Federal Identification Number (for childcare tax forms): 58-2009823.** Confirmations are sent immediately upon registration - please save this for your records.
- Too old to attend camp, but still want to be a part of the best camps in Dunwoody? Learn about becoming a Junior Counselor on our website at <http://www.dunwoodynature.org/Become-a-Junior-Counselor>

Payments and Cancellations

PAYMENT: Registration is online only; we accept Debit and Credit, MasterCard, Visa, and Discover.

CANCELLATIONS: Camps cancelled by parents up to two weeks before the start of a camp are refunded at 80% of the original fee. Camps cancelled within two weeks of the camp's start date will not be refunded. In those cases where there is availability in another week of camp, every attempt will be made to honor a transfer request. If there is availability, a cancellation fee will not be charged.
