WHY SPONSOR?

The Nature Center inspires the love of nature and cultivates environmental understanding and stewardship by **conserving** and enhancing Dunwoody Park; **educating** children, families, and adults of all ages about the natural world and our place in it; and **motivating** environmental awareness and responsible action.

Your partnership with the Nature Center shows your commitment to making your community a better place in which to live and do business. **Joining as a corporate sponsor will demonstrate to the metro Atlanta community how your corporation cares about the environment and is giving back to the community.** Together, we will build an exceptional nature center that promotes environmental literacy and serves as a nature-based cultural enclave for community activity.

The Nature Center recognizes that the strength and effectiveness with which we pursue our mission are directly related to our people – our staff, our board, our visitors, our donors, and our volunteers. The diversity of our collective backgrounds and experiences, individual differences, capabilities, and talents only serves to enrich our work and build community.

We welcome over 30,000 visitors annually and 17,000 are served through children's camp, youth and adult programs, and education center visits. Our marketing metrics include:

- 7,300 followers on Facebook
- 4,968 followers on Instagram
- 18,325 newsletter subscribers
- 20,000+ monthly website visitors

The Nature Center needs sponsorship support in each of our programs. **We can custom design a sponsorship benefit guide for your corporation that will include providing employee engagement opportunities as well as financial support.**
